

Our School Song

Across the Bay from Table Mountain
Blouberg Ridge stands proud and true
Here we work and play together
Striving hard in all we do.
Truth and honour, faith and caring.
Forms the base on which we stand.
So that as we grow in knowledge,
We may do so hand in hand.
As we face the years before us
Confidence will be our mark.
May the values learnt at Blouberg
Be our strength through light and dark.
Grant O Lord that we may cherish
All we've learnt in word and deed
Bless this place our Alma-mater
Labore Vinctes be our creed.
